Layered Look Book Foldable

Unit Meetings

Review

Learn/Faciliate

Develop/Plan

Schedule

Reflect/Review

Review

Review of last week's data and objective

Goals:

- **Bring Student work**
- **Discuss classroom experiences with new strategies**

Learn/ Facilitate

- **Learn about EEP Indicator**
- **Learn and Review Research Based strategies and best practices.**

Goal: Student-like learning includes an activity or strategy related to indicator

Develop / Plan

Time to develop or plan using new strategies

Goal: Think about how the new practice/indicator will look in your classroom.

How will the new strategy be incorporated?

Schedule:

Time for observations and walkthroughs.

Goal: When can you best showcase your new skill?

When do you need the most help in trying to incorporate new skill?

**** What do you want feedback to look like?**

Reflect/ Review

Think about thinking (metacognitive)

Goal: How is this important to me?

Was it effective?

What did I learn?

How can it be improved?

Reflect/ Review

Examples:

3-2-1

Pluses and Deltas
